NOTICE! You have been sued. The court may decide against you without your being heard unless you respond within 30 days. Read the information below.

You have 30 CALENDAR DAYS after this summons and legal papers are served on you to file a written response at this court and have a copy served on the plaintiff. A letter or phone call will not protect you. Your written response must be in proper legal form if you want the court to hear your case. There may be a court form that you can use for your response. You can find these court forms and more information at the California Courts Online Self-Help Center (www.courtinfo.ca.gov/sephelp), your county law library, or the courthouse nearest you. If you cannot pay the filing fee, ask the court clerk for a fee waiver form. If you do not file your response on time, you may lose the case by default, and your wages, money, and property may be taken without further warning from the court.

There are other legal requirements. You may want to call an attorney right away. If you do not know an attorney, you may want to call an attorney referral service. If you cannot afford an attorney, you may be eligible for free legal services from a nonprofit legal services program. You can locate these nonprofit groups at the California Legal Services Web site (www.lawhelpcalifornia.org), the California Courts Online Self-Help Center (www.courtinfo.ca.gov/sephelp), or by contacting your local court or county bar association. Es posible que haya un formulario que usted pueda usar para su respuesta. Puede encontrar estos formularios de la corte y más información en el Centro de Ayuda de las Cortes de California (www.suerte.ca.gov), en la biblioteca de leyes de su condado o en la corte que le queda más cerca. Si no puede pagar la cuota de presentación, pida al secretario de la corte que le dé un formulario de exención de pago de cuotas. Si no presenta su respuesta a tiempo, puede perder el caso por incumplimiento y la corte le podrá quitar su sueldo, dinero y bienes en más edverencia.

Deputy Clerk

Superior Court of California, County of Alameda Alternative Dispute Resolution (ADR) Information Packet

The person who files a civil lawsuit (plaintiff) must include the ADR Information Packet with the complaint when serving the defendant. Cross complainants must serve the ADR Information Packet on any new parties named to the action.

The Court *strongly encourages* the parties to use some form of ADR before proceeding to trial. You may choose ADR by:

- Indicating your preference on Case Management Form CM-110;
- Filing the Stipulation to ADR and Delay Initial Case Management Conference for 90 Days (a local form included with the information packet); or
- Agree to ADR at your Initial Case Management Conference.

QUESTIONS? Call (510) 891-6055. Email adrprogram@alameda.courts.ca.gov
Or visit the court's website at <http://www.alameda.courts.ca.gov/adr>

What Are The Advantages Of Using ADR?

- **Faster** – Litigation can take years to complete but ADR usually takes weeks or months.
- **Cheaper** – Parties can save on attorneys' fees and litigation costs.
- **More control and flexibility** – Parties choose the ADR process appropriate for their case.
- **Cooperative and less stressful** – In mediation, parties cooperate to find a mutually agreeable resolution.
- **Preserve Relationships** – A mediator can help you effectively communicate your interests and point of view to the other side. This is an important benefit when you want to preserve a relationship.

What Is The Disadvantage Of Using ADR?

- **You may go to court anyway** – If you cannot resolve your dispute using ADR, you may still have to spend time and money resolving your lawsuit through the courts.

What ADR Options Are Available?

- **Mediation** – A neutral person (mediator) helps the parties communicate, clarify facts, identify legal issues, explore settlement options, and agree on a solution that is acceptable to all sides.
 - **Court Mediation Program:** Mediators do not charge fees for the first two hours of mediation. If parties need more time, they must pay the mediator's regular fees.

Some mediators ask for a deposit before mediation starts which is subject to a refund for unused time.

- **Private Mediation:** This is mediation where the parties pay the mediator's regular fees and may choose a mediator outside the court's panel.
- **Arbitration** – A neutral person (arbitrator) hears arguments and evidence from each side and then decides the outcome of the dispute. Arbitration is less formal than a trial and the rules of evidence are often relaxed. Arbitration is effective when the parties want someone other than themselves to decide the outcome.
- **Judicial Arbitration Program** (non-binding): The judge can refer a case or the parties can agree to use judicial arbitration. The parties select an arbitrator from a list provided by the court. If the parties cannot agree on an arbitrator, one will be assigned by the court. There is no fee for the arbitrator. The arbitrator must send the decision (award of the arbitrator) to the court. The parties have the right to reject the award and proceed to trial.
- **Private Arbitration** (binding and non-binding) occurs when parties involved in a dispute either agree or are contractually obligated. This option takes place outside of the courts and is normally binding meaning the arbitrator's decision is final.

 12 HOSPITAL PRODUCTS INC. ; and MALLINCKRODT U.S. HOLDINGS, INC. are hereinafter
 13 collectively referred to as "MALLINCKRODT."

14 12. Plaintiff is informed and believes and thereon alleges that the aforementioned
 15 MALLICKRODT entities are agents of the other and on account of, among other things, the degree of
 16 their interrelatedness, thereby all acting in some capacity as Plaintiff's employer and/or are legally
 17 responsible for the conduct complained of herein.

18 13. Plaintiff is informed and believes and thereon alleges that Defendant QUESTCOR
 19 PHARMACEUTICALS, INC. (hereinafter "QUESTCOR" or "Defendant") was a California
 20 corporation that had an entity address of 675 McDonnell Blvd., Hazelwood, MO 63042, listed with the
 21 California Secretary of State, with an agent for service of process of CT Corporation System at 818 W.
 22 Seventh Street, 2nd Floor, Los Angeles, CA 90017. Plaintiff is informed and believes and thereon
 23 alleges that prior to August 2014 Defendant QUESTCOR had an entity address of 26118 Research Pl,
 24 the County of Alameda, California. Plaintiff is informed and believes and thereon alleges that in 2014
 25 certain of the MALLINCKRODT entities purchased and then merged with QUESTCOR. Thus, any
 26 allegations as against QUESTCOR are intended to apply to MALLINCKRODT by virtue of such
 27 merger and acquisition.

28

1 14. FRANKS is informed and believes and thereon alleges that venue and jurisdiction are
 2 proper in this court by virtue of: (1) MALLINCKRODT and QUESTCOR at all relevant times
 3 conducted business in the County of Alameda, California; (2) certain adverse employment actions and
 4 ratification of same by QUESTCOR and MALLINCKRODT took place at 26118 Research Road,
 5 Hayward, the County of Alameda, California; (3) at all relevant time herein certain of FRANKS'
 6 supervisors and the human resources division for QUESTCOR and MALLINCKRODT with whom
 7 FRANKS interacted were located in Hayward, County of Alameda, California; and (4) the relevant
 8 records are and/or were maintained or administered in the County of Alameda, California. Further, the
 9 amount in controversy exceeds the \$25,000.00 jurisdictional minimum of the Superior Court.

10 15. Plaintiff is unaware of the true names and capacities of the Defendants named as DOES
 11 1 through 20, and therefore sues these Defendants as fictitious parties. Plaintiff will, upon learning the
 12 true names and capacities of these DOE Defendants, seeks leave to amend the complaint so that the
 13 true names and capacities of these individuals may be added to the complaint. At this time, Plaintiff
 14 states on information and belief that each of the fictitiously named Defendants are and/or acted as the
 15 agent of the other Defendants and is responsible for the occurrences herein alleged, and is liable to
 16 Plaintiff for the damages proximately caused thereby.

17 16. Plaintiff is informed and believes and thereon alleges that at all times herein mentioned
 18 each of the Defendants, including DOES 1 through 20, were agents, members, officers, servants,
 19 employees, joint ventures, partners, co-owners, alter egos, and/or subsidiaries of their co-defendants,
 20 and in doing the things alleged below, were acting within the scope of their agency, membership, office
 21 and employment, joint-venture, partnership, co-ownership, and/or subsidiary, and with the authority,
 22 permission, consent, authorization and ratification and/or at the direction of the other Defendants, and
 23 for this reason, as well as for other reasons yet unknown, are jointly and/or severally liable for each
 24 other's conduct and for every aspect of Plaintiff's claims, causes of action, and damages as more
 25 specifically set forth below.

26 17. Plaintiff is informed and believes and on that basis alleged that Defendants, and each
 27 of them, were at all relevant times aware of the conduct of each of the other Defendants and approved
 28 and ratified the conduct.

1 FACTUAL ALLEGATIONS

2 18. FRANKS began working for QUESTCOR in or around October 2012 as a
 3 biopharmaceutical professional sales representative. FRANKS is presently 49 years of age. FRANKS
 4 brought with him to Questcor Pharmaceuticals in 2012 approximately 17 years in the pharmaceutical
 5 sales field, with a proven sales record in rheumatology.

6 19. FRANKS was hired by QUESTCOR as Regional Sales Manager in the Autoimmune
 7 and Rare Diseases Division, specifically, the Rheumatology Division. FRANKS was hired to train and
 8 deploy representatives to launch the drug, H.P. Acthar Gel (Repository Corticotropin Injection)
 9 ("Acthar"), a very expensive injectable anti-inflammatory drug sold by Defendants.

10 20. FRANKS is informed and believes and thereon alleges that, briefly, the history of
 11 Acthar is as follows: Acthar is a highly specialized, low-volume, premium-priced drug, that was
 12 originally approved by the FDA in 1952. Acthar is first-line treatment for infantile spasms, a rare,
 13 seizure disorder. Acthar was approved for the treatment of MS relapse in 1978. It was used
 14 extensively as a treatment for MS in the 1970s, but was largely abandoned in the 1980s after
 15 corticosteroids came on the market, as the powerful steroids proved to be a superior alternative to
 16 Acthar. QUESTCOR acquired the rights to Acthar in 2001 for \$100,000. At the time, Acthar was
 17 almost exclusively being used to treat infantile spasms. In 2007, Questcor filed an application with
 18 the FDA to obtain orphan drug status for Acthar for the treatment of infantile spasms. The FDA grants
 19 orphan status to a drug that treats a disease affecting fewer than 200,000 people. Orphan status provides
 20 a company with seven years of marketing exclusivity. At the same time the Company filed its
 21 application with the FDA, Questcor raised the price of Acthar from \$1,650 per vial to \$23,000 per vial.
 22 The FDA approved Questcor's orphan drug status application in October 2010. Soon after
 23 QUESTCOR enacted the price hike, QUESTCOR began to promote Acthar and expand the use of the
 24 drug for other indications, initially focusing on using Acthar for the treatment of MS beginning at the
 25 end of 2007, followed by nephrotic syndrome in the first quarter of 2011. Plaintiff is informed and
 26 believes and thereon alleges that QUESTCOR began marketing the drug for conditions that include
 27 multiple sclerosis, nephrotic syndrome and rheumatologic conditions.

28

1 21. FRANKS is informed and believes and thereon alleges that in or around 2014,
2 QUESTCOR was acquired by MALLINCKRODT and became a MALLINCKRODT company.
3 FRANKS is informed and believed and thereon alleges that the acquisition was completed in or around
4 August 2014.

5 22. FRANKS is informed and believes and thereon alleges that prior to the 2014
6 acquisition, QUESTCOR's home office was located in Anaheim, California and its human resources
7 division headquartered in Hayward, California. After the acquisition by MALLINCKRODT, FRANKS
8 is informed and believes and thereon alleges that the human resources headquarters and the human
9 resources personnel with whom FRANKS interacted remained at the Hayward, California location.
10 Additionally, FRANKS is informed and believes and thereon alleges that at all relevant time herein
11 certain of FRANKS' supervisors and the human resources division for QUESTCOR and
12 MALLINCKRODT with whom FRANKS interacted were located in Hayward, County of Alameda,
13 California.

14 23. FRANKS is informed and believes and thereon alleges that at the time of acquisition
15 and through the date of his separation from Defendants, FRANKS income was based upon a base
16 salary component and sales incentive compensation components. Part of the sales incentive
17 compensation component of his pay was commonly referred to as an Incentive Bonus Plan. Said
18 Incentive Bonus Plan was part of his pay contract and FRANKS relied upon same in agreeing to work
19 for Defendants and in continuing his employment with them.

20 24. The Incentive Bonus Plan compensation almost always exceeded the base salary
21 compensation, thus, it was an integral part of and crucial element of salespersons'/managers' total
22 compensation and relied upon in accepting employment and remaining employed with Defendants.
23 The Incentive Bonus Plan was typically updated quarterly.

24 25. The Incentive Bonus Plan consisted of opportunities to earn additional income by way
25 of bonuses if certain performance goals were met. The performance goals were often based on
26 historical baselines of performance. Achieving the prescribed performance goals would result in
27 additional compensation. This portion of the Incentive Bonus Plan was generally referred to as the
28

1 “Rheum incentive plan.” The bonus compensation for the Incentive Bonus Plan consisted of grants
2 of additional monetary compensation and grants of stock options/restricted stock units.

3 26. In addition to the Rheum incentive plan, other contests or awards were presented to
4 FRANKS and other employees as part of their Incentive Bonus Plan. There were contests/awards for
5 achieving “President’s Club status,” awards for being the “Top Region,” and awards for “Region
6 MVP.” These awards and contests were typically based upon growth performance or top sales
7 performance of a manager, region, etc. The bonus compensation for these other awards/contests
8 included such things as monetary compensation, grant of stock options/restricted stock units, and
9 grants of a trip/vacation or vehicle.

10 27. While employed, in addition to the monetary compensation and stock options described
11 above, FRANKS was also provided with other employment benefits such as medical and life insurance
12 and retirement benefits.

13 28. Defendants’ Rheumatology Sales team at the time of FRANKS’ departure from
14 employment with Defendants was divided into eight regions: Mid-Atlantic, Southeast, Northeast,
15 Central, Northwest, Great Lakes, West, and South Central. FRANKS was the Regional Manager for
16 Defendants’ South Central, Rheumatology Division sales region.

17 29. FRANKS is and was a hardworking, dedicated and successful professional who
18 throughout his working career has been recognized for his talents.

19 30. FRANKS was never written up during his employ with Defendants.

20 31. Up until the very end of his employ, and only because of illegal and unjust reasons
21 explained herein, FRANKS never had any complaints from his direct supervisors.

22 32. FRANKS is informed and believes and thereon alleges that it is illegal for a
23 pharmaceutical manufacturer to promote a drug that has not been approved by the Food and Drug
24 Administration (FDA) for a particular medical use or indication. In other words, promotion of “off-
25 label” use is prohibited. (Scientific data or studies regarding off-label use may not be presented or
26 offered by a pharmaceutical company’s sales representatives directly to health care providers or
27 potential customers.)

28

1 33. However, in direct contrast to the prohibition of off-label use, in mid to late 2014,
2 FRANKS was pressured and unjustly criticized for underperforming sales of him and his team. In mid
3 to late 2014, the National Sales Director, Rheumatology Division, Doug Harmon, advised FRANKS
4 that his team was not showing “explosive growth” as compared to other teams. However, the reason
5 for the “explosive growth” of other Rheumatology sales teams at that point in time was due, in part,
6 to MALLINCKRODT requesting that its representative promote the Acthar drug in an illegal, off-label
7 manner.

8 34. Specifically, FRANKS is informed and believes and thereon alleges that the pressure
9 on FRANKS was to increase his production by promoting prescription refills, and specifically
10 Rheumatoid Arthritis (RA) refills.

11 35. In response, FRANKS voiced his concerns regarding compliance issues. FRANKS
12 explained to Mr. Harmon his objection and concern as promotion for RA was an off-label promotion
13 and the labeling for the drug specifically states with reference to “Rheumatic Disorders” that it is “an
14 adjunctive therapy for short term administration (to tide the patient over an acute episode or
15 exacerbation)” and at the time, there existed a lack of retreatment data and lack of long term data for
16 the drug. FRANKS was clear that he would not engage in illegal activities to increase sales or
17 artificially boost his compensation plan. Despite this, and being advised that employees were told by
18 compliance not to “put anything in writing” regarding refills, FRANKS continued to feel extreme
19 pressure to perform. Mr. Harmon indicated a warning letter or performance plan may be forthcoming
20 based on the alleged under performance.

21 36. During his employ, FRANKS was advised that refills were excluded from the Incentive
22 Bonus Plan. However, this alleged under performance was, again, based on goals and incentives for
23 promotion of Acthar in an off-label disease state (where there was no supportive data) and to promote
24 maintenance therapy in a disease state with an acute dosing label.

25 37. After Mr. Harmon was let go from MALLINCKRODT, Defendants again targeted
26 FRANKS in the Fall of 2014. A similar push and acknowledgment that to keep his job, FRANKS
27 essentially had to push in off-label areas, came from Eldon Mayer, Senior Vice President. FRANKS
28

1 again expressed his objection to participating in this type of sales activity. Mr. Mayer repeated what
 2 Mr. Harmon had indicated that FRANKS may receive a warning letter.

3 38. FRANKS never received such a warning letter. However, instead of a warning letter,
 4 thereafter, FRANKS received in late October 2014 from human resources a proposed Separation of
 5 Employment Agreement noting a termination effective date of October 31, 2014 (an agreement that
 6 was never executed). FRANKS was effectively terminated.

7 39. FRANKS is informed and believes that this termination was in retaliation for FRANKS
 8 expressing his concern regarding the off-label promotion and for refusing to promote in an off-label
 9 manner.

10 40. FRANKS is informed and believes and thereon alleges that there were illegal sales
 11 practices being committed in other regions, and that MALLINCKRODT used these regions as the gold-
 12 standard and/or basis for Incentive Bonus Plan rewards for which all regions were compared and asked
 13 to duplicate. FRANKS was expected to deliver sales results that were not supported by lawful
 14 practices.

15 41. By virtue of there being an "unlevel playing field," FRANKS was not only terminated
 16 but also lost out on and was denied significant monetary compensation, stock units, and other benefits
 17 that he would have earned had MALLINCKRODT conducted and exercised its administration of the
 18 Incentive Bonus Plan in a fair, legal and ethical manner. Compensation was conditioned on and/or
 19 Defendants required Plaintiff to partake in unlawful conduct to reach certain compensation goals --
 20 goals that were inaccurately, unfairly, and unlawfully determined.

21 42. FRANKS was also aware of other compliance related issues at MALLINCKRODT,
 22 which FRANKS is informed and believes and thereon alleges that these issues include but are not
 23 limited to: potentially insurance/Medicare fraud related to the refills as noted above, HIPAA violations
 24 where four or eight week prescriptions were provided where there was no patient visit and violations
 25 where MALLINCKRODT permitted, for a certain period of time, certain employees to manipulate the
 26 compensation plan by having physicians write shorter prescription that were refilled, to earn a bonus
 27 on the patient at the shorter prescription interval. (Shorter prescriptions did not allow sufficient time
 28 to see if a patient had responded to the drug. In some cases, the drug was also shipped the same day

1 a referral was received. This was done to "game the system" and potentially commit
2 insurance/Medicare fraud.)

3 43. MALLINCKRODT'S wrongful employment actions have been devastating both
4 personally and financially. For a biopharmaceutical professional with FRANKS' experience level and
5 performance, the wrongful conduct of MALLINCKRODT, which includes but is not necessarily
6 limited to, the termination and unjustified lower rankings compared to his counterparts is and was
7 damaging where he is forced to attempt to explain same to future employers. As a direct and proximate
8 result of Defendants' conduct FRANKS has suffered non-economic damages such as emotional distress
9 which includes such things as anxiety, depression, mood swings, humiliation, worry, anger, tension,
10 lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general emotional
11 distress. Said emotional distress has caused physical manifestations and physical injury to Plaintiff
12 including such things as insomnia, nausea, headaches, and at times, uncontrolled/involuntary shaking.
13 Additionally, the wrongful employment actions have resulted in significant economic damages such
14 as loss of income, loss of earning capacity, loss of job opportunity and other harms and damages.

FIRST CAUSE OF ACTION

Adverse Employment Action (Termination and Retaliation) in Violation of Public Policy

(As to all Defendants and DOES 1 through 20, inclusive)

18 44. Plaintiff realleges and incorporates by reference the foregoing and subsequent
19 paragraphs as though fully set forth herein.

20 45. The retaliatory conduct directed toward Plaintiff and Plaintiff's termination was in
21 violation of fundamental, basic, and substantial public policies. Plaintiff alleges that the adverse
22 employment actions alleged herein, specifically, the retaliation and wrongful termination, were
23 wrongful because they were in violation of state and federal public policy, including the California
24 Labor Code, section 1102.5; other states' similar anti-retaliation statutes; and the federal False Claims
25 Act (31 U.S.C. §§ 3729–3733).

26 46. Plaintiff was harmed as a result of Defendants' conduct, and Defendants' conduct was
27 a substantial factor in causing Plaintiff's harm.

1 47. Defendants wrongfully and unlawfully violated public policy by conduct that includes,
 2 but is not limited to, providing untruthful and false critiques of Plaintiff and providing untruthful and
 3 unwarranted threats of a warning letter, and ultimately, a wrongful termination all on account of lawful
 4 and compliant refusal to engage in off-label promotion activities and/or voicing concern about same.
 5 Defendants' conduct violated state and federal public policy.

6 48. As a direct and proximate result of Defendants' unlawful conduct as alleged in this
 7 complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional
 8 distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger,
 9 tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general
 10 emotional distress, all in an amount according to proof. Said emotional distress has caused physical
 11 manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches,
 12 and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

13 49. As a further direct and proximate result of the unlawful conduct, the Plaintiff has
 14 suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning
 15 capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other
 16 losses, all in an amount according to proof.

17 50. Plaintiff is informed and believes and thereon alleges that as a further direct and
 18 proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur
 19 costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages
 20 arising out of the conduct alleged herein as allowed by contract, statute or case law.

21 51. Because the acts taken toward Plaintiff were carried out by Defendants acting in a
 22 deliberate, cold, callous, oppressive, and intentional manner in order to injure and damage Plaintiff,
 23 Plaintiff requests the assessment of punitive damages against Defendants in an amount appropriate to
 24 punish and make an example of Defendants.

25 52. Plaintiff reserves the right to amend this cause of action and this complaint to conform
 26 to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the
 27 time of trial.

28

SECOND CAUSE OF ACTION

Negligent Hiring, Supervision and Retention

(As to all Defendants and DOES 1 through 20, inclusive)

53. Plaintiff realleges and incorporates by reference the foregoing and subsequent paragraphs as though fully set forth herein.

54. At all times Defendants had the duty and ability to control and/or supervise the actions of its employees.

55. Defendants negligently and with reckless disregard, hired and supervised its employees and retained them after having notice of the unlawful and adverse employment actions of others. Defendants was on notice of the illegal conduct but did nothing or nothing effective to stop it.

56. Defendants negligently and with reckless disregard failed to take immediate, appropriate, corrective action after being on notice and/or in response to Plaintiff's and other employees' complaints and failed to take steps to ensure that there would be no retaliation.

57. As a direct and proximate result of Defendants' unlawful conduct as alleged in this complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger, tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general emotional distress, all in an amount according to proof. Said emotional distress has caused physical manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches, and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

58. As a further direct and proximate result of the unlawful conduct, the Plaintiff has suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other losses, all in an amount according to proof.

59. Plaintiff is informed and believes and thereon alleges that as a further direct and proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages arising out of the conduct alleged herein as allowed by contract, statute or case law.

1 60. Plaintiff reserves the right to amend this cause of action and this complaint to conform
2 to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the
3 time of trial.

THIRD CAUSE OF ACTION

Violation of *California Labor Code* § 1102.5

(As to all Defendants and DOES 1 through 20, inclusive)

7 61. Plaintiff realleges and incorporates by reference the foregoing and subsequent
8 paragraphs as though fully set forth herein.

9 62. *California Labor Code* Section 1102.5, among other things, prohibits employers from
10 retaliating “against an employee for disclosing information, or because the employer believes that the
11 employee disclosed or may disclose information, to a government or law enforcement agency, to a
12 person with authority over the employee or another employee who has the authority to investigate,
13 discover, or correct the violation or noncompliance, or for providing information to, or testifying
14 before, any public body conducting an investigation, hearing, or inquiry, if the employee has reasonable
15 cause to believe that the information discloses a violation of state or federal statute, or a violation of
16 or noncompliance with a local, state, or federal rule or regulation, regardless of whether disclosing the
17 information is part of the employee's job duties”.

18 63. In addition, *California Labor Code* Section 1102.5, among other things, prohibits
19 employers from retaliating against an employee “for refusing to participate in an activity that would
20 result in a violation of state or federal statute, or a violation of or noncompliance with a local, state,
21 or federal rule or regulation.”

22 64. As alleged herein, Defendants violated *California Labor Code* Section 1102.5 when
23 Defendants retaliated against Plaintiff and took adverse employment actions against him for
24 complaining about and refusing to participate in an activity that would result in the noncompliance with
25 a local, state or federal rule or regulation. Defendants retaliated against Plaintiff after he reported
26 illegal activity to his supervisors and after he informed MALLINCKRODT that he would not engage
27 in unlawful activity to secure sales.

1 65. As a direct and proximate result of Defendants' unlawful conduct as alleged in this
2 complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional
3 distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger,
4 tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general
5 emotional distress, all in an amount according to proof. Said emotional distress has caused physical
6 manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches,
7 and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

8 66. As a further direct and proximate result of the unlawful conduct, the Plaintiff has
9 suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning
10 capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other
11 losses, all in an amount according to proof.

12 67. Plaintiff is informed and believes and thereon alleges that as a further direct and
13 proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur
14 costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages
15 arising out of the conduct alleged herein as allowed by contract, statute or case law.

16 68. Because the acts taken toward Plaintiff were carried out by Defendants acting in a
17 deliberate, cold, callous, oppressive, and intentional manner in order to injure and damage Plaintiff,
18 Plaintiff requests the assessment of punitive damages against Defendants in an amount appropriate to
19 punish and make an example of Defendants.

20 69. Plaintiff reserves the right to amend this cause of action and this complaint to conform
21 to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the
22 time of trial.

FOURTH CAUSE OF ACTION

Violation of Federal False Claims Act (Retaliation)

(As to all Defendants and DOES 1 through 20, inclusive)

70. Plaintiff realleges and incorporates by reference the foregoing and subsequent paragraphs as though fully set forth herein.

71. Defendants retaliated against and terminated Plaintiff and same was motivated by Plaintiff's engagement in protected activities of which Defendants had knowledge. Specifically, the termination was the result of Plaintiff undertaking the investigation of and voicing complaints/concerns regarding the subject of this action and the allegations contained herein.

72. Defendants have a duty under 31 U.S.C. § 3730(h) of the Federal False Claims Act (FCA) to refrain from taking retaliatory actions against employees who undertake protected activities in furtherance of the FCA, including investigation for, testimony for, or assistance in an FCA action.

73. As alleged herein, Plaintiff undertook and was engaged in protected activities/actions protected under the aforementioned statutes.

74. Plaintiff's employers knew that Plaintiff was engaged in such protected conduct by virtue of its investigation into the issue and by virtue of his complaints to supervisors about the potential fraud against the government and refusal to partake in same.

75. As a direct and proximate result of Defendants' unlawful conduct as alleged in this complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger, tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general emotional distress, all in an amount according to proof. Said emotional distress has caused physical manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches, and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

76. As a further direct and proximate result of the unlawful conduct, the Plaintiff has suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning

capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other losses, all in an amount according to proof.

77. Plaintiff is informed and believes and thereon alleges that as a further direct and proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages arising out of the conduct alleged herein as allowed by contract, statute or case law.

78. Because the acts taken toward Plaintiff were carried out by Defendants acting in a deliberate, cold, callous, oppressive, and intentional manner in order to injure and damage Plaintiff, Plaintiff requests the assessment of punitive damages against Defendants in an amount appropriate to punish and make an example of Defendants.

79. Plaintiff reserves the right to amend this cause of action and this complaint to conform to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the time of trial.

FIFTH CAUSE OF ACTION

Concealment

(As to all Defendants and DOES 1 through 20, inclusive)

80. Plaintiff realleges and incorporates by reference the foregoing and subsequent paragraphs as though fully set forth herein.

81. Plaintiff is informed and believes and thereupon alleges that Defendants owed Plaintiff a duty to disclose all important facts relative to their employment.

82. Plaintiff is informed and believes and thereupon alleges that Defendants intentionally failed to disclose important facts that were known only to Defendants regarding their employment and/or actively concealed facts regarding their employment. These concealed facts include but are not limited to:

-that Defendants would require and/or establish fraudulent, unethical and/or illegal based expectations/bonus pay structure

-that employees would be expected to partake in unethical, off-label promotion in order to earn certain bonus pay compensation

1 -that Defendants would engage in and support questionable sales practices all in an effort
2 to maximize profits

3 -that Defendants would require efforts not in their job description and not previously
4 disclosed to Plaintiffs

5 -that Defendants would permit manipulation of the incentive bonus (compensation) plan

6 -that Defendants would significantly alter/revamp the incentive bonus (compensation) plan

7 83. The aforementioned facts are facts that Plaintiff could not have discovered and/or facts
8 that Defendants prevented them from discovering. Said facts were known only to Defendants, and
9 were unknown to Plaintiff.

10 84. Said facts are important as they directly impact Plaintiff's financial situation and their
11 contracts with their employer. Plaintiff is further informed and believes and thereupon alleges that
12 Defendants owed Plaintiff a duty to ensure that the actual method of payment of bonus compensation
13 to them was based on legal and ethical standards.

14 85. Plaintiff is informed and believes and thereupon alleges that Defendants intended to
15 deceive Plaintiff by withholding the aforementioned facts.

16 86. Plaintiff reasonably relied on Defendants' deception as the employer corporate entities
17 and individuals, were persons Plaintiff believed he could trust.

18 87. As a direct and proximate result of Defendants' unlawful conduct as alleged in this
19 complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional
20 distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger,
21 tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general
22 emotional distress, all in an amount according to proof. Said emotional distress has caused physical
23 manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches,
24 and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

25 88. As a further direct and proximate result of the unlawful conduct, the Plaintiff has
26 suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning
27 capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other
28 losses, all in an amount according to proof.

89. Plaintiff is informed and believes and thereon alleges that as a further direct and proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages arising out of the conduct alleged herein as allowed by contract, statute or case law.

90. Because the acts taken toward Plaintiff were carried out by Defendants acting in a deliberate, cold, callous, oppressive, and intentional manner in order to injure and damage Plaintiff, Plaintiff requests the assessment of punitive damages against Defendants in an amount appropriate to punish and make an example of Defendants.

91. Plaintiff reserves the right to amend this cause of action and this complaint to conform to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the time of trial.

SIXTH CAUSE OF ACTION

Breach of Employment Contract

(As to all Defendants and DOES 1 through 20, inclusive)

92. Plaintiff realleges and incorporates by reference the foregoing and subsequent paragraphs as though fully set forth herein.

93. Plaintiff is informed and believes and thereon alleges that Plaintiff and Defendants were in an employment relationship.

94. Plaintiff is informed and believes and thereon alleges that there were express contract(s) for pay by which Defendants agreed to pay Plaintiff certain bonus compensation in exchange for Plaintiff's employment. Plaintiff had various Incentive Bonus Plans providing the terms and conditions by which Plaintiff would earn bonus compensation.

95. Additionally, Plaintiff is informed and believes and thereon alleges that Defendants promised by words or conduct not to discharge or demote Plaintiff but for good cause.

96. Defendants offered a secure and long term employment relationship and led Plaintiff to believe that they had a commitment to Plaintiff's long term employment with them as they were hired as managers of a new team to launch the drug Acthar.

1 97. Plaintiff is informed and believes and thereon alleges that Plaintiff performed all or
2 substantially performed all of the terms, covenants and conditions required of him and if he failed to
3 perform any term, covenant or condition, he was excused from doing so.

4 98. Plaintiff is informed and believes and thereon alleges that Defendants and DOES 1-20
5 breached their contract with Plaintiff by failing to pay Plaintiff the rightful bonus compensation earned
6 under their contracts with Plaintiff and also breached the contracts by intentionally creating and
7 knowingly permitting working conditions that were intolerable. As such, Defendants have refused to
8 allow Plaintiff the benefits of the contracts and Defendants have failed to perform under the contracts
9 in an agreed upon manner.

10 99. Plaintiff is informed and believes and thereon alleges that Defendants breached their
11 contracts with Plaintiff by failing to pay Plaintiff the bonuses earned under their contracts with Plaintiff
12 where the terms set to earn bonus compensation were unreasonably and unrealistically set where
13 compensation was conditioned on and/or Defendants required Plaintiff to partake in unlawful conduct
14 to reach certain compensation goals - -goals that were inaccurately, unfairly, and unlawfully
15 determined.

16 100. Defendants and also breached the contracts by intentionally creating and knowingly
17 permitting working conditions that were intolerable. As a result of their conduct, Defendants have
18 refused to allow Plaintiff the benefits of the contracts and Defendants have failed to perform under the
19 contracts in an agreed upon manner.

20 101. As a direct and proximate result of Defendants' unlawful conduct as alleged in this
21 complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional
22 distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger,
23 tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general
24 emotional distress, all in an amount according to proof. Said emotional distress has caused physical
25 manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches,
26 and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

27 102. As a further direct and proximate result of the unlawful conduct, the Plaintiff has
28 suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning

capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other losses, all in an amount according to proof.

3 103. Plaintiff is informed and believes and thereon alleges that as a further direct and
4 proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur
5 costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages
6 arising out of the conduct alleged herein as allowed by contract, statute or case law

7 104. Plaintiff reserves the right to amend this cause of action and this complaint to conform
8 to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the
9 time of trial.

SEVENTH CAUSE OF ACTION

Breach of Implied Covenant of Good Faith and Fair Dealing

(As to all Defendants and DOES 1 through 20, inclusive)

13 105. Plaintiff realleges and incorporates by reference the foregoing and subsequent
14 paragraphs as though fully set forth herein.

15 106. Plaintiff is informed and believes and thereon alleges that there were express contract(s)
16 for pay by which Defendants agreed to pay Plaintiff certain bonus compensation in exchange for
17 Plaintiff's employment. Plaintiff had various Incentive Bonus Plans providing the terms and conditions
18 by which Plaintiff would earn bonus compensation.

19 107. Additionally, Plaintiff is informed and believes and thereon alleges that Defendants
20 promised by words or conduct not to discharge or demote Plaintiff but for good cause.

108. Defendants offered a secure and long term employment relationship and led Plaintiff
to believe that they had a commitment to Plaintiff's long term employment with them.

23 109. Plaintiff is informed and believes and thereon alleges that Plaintiff performed all or
24 substantially performed all of the terms, covenants and conditions required of him and if he failed to
25 perform any term, covenant or condition, he was excused from doing so.

26 110. Plaintiff is informed and believes and thereon alleges that said contract(s) contained
27 an implied covenant of good faith and fair dealing by which Defendants promised to give full
28 cooperation to Plaintiff and their performance under said contract(s). Defendants would refrain from

1 doing any act that would prevent or impede Plaintiff from performing all the conditions of the contract
2 to be performed by Plaintiff, or any act that would prevent or impede enjoyment of the fruits of said
3 contract(s). Specifically, said covenant of good faith and fair dealing required Defendants to fairly,
4 honestly and reasonably perform the terms and conditions of the express agreement.

5 111. The implied covenant of good faith and fair dealing further prohibited Defendants from
6 subjecting Plaintiff to unfair, arbitrary or unlawful treatment.

7 112. Plaintiff was in an inherently unequal bargaining position in dealing with the
8 Defendants. In addition, once Plaintiff committed himself to the above-stated contract(s), and took
9 the reasonable actions alleged herein in reliance, Plaintiff was placed in a particularly vulnerable
10 position because he had given up seeking other employment opportunities. He had entrusted their
11 entire livelihood to the Defendants' willingness to perform their obligations under the contract(s), and
12 risked suffering great harm if the Defendants failed to perform. The Defendants were aware of
13 Plaintiff's vulnerability in this regard.

14 113. Plaintiff is informed and believes and thereon alleges that the Defendants breached their
15 express contract(s) with Plaintiff by without good or sufficient cause, for reasons extraneous to the
16 contract, and for the purpose of frustrating Plaintiff's enjoyment of the benefits of the contract(s)
17 retaliating against and terminating Plaintiff after he lawfully expressed his concern and his refusal to
18 participate in any off-label sales. Accordingly, the Defendants breached the implied duty of good faith
19 and fair dealing.

20 114. Plaintiff is informed and believe and thereon allege that Defendants breached their
21 contract with Plaintiff by failing to pay Plaintiff the bonuses earned under their contracts with Plaintiff
22 where the terms set to earn bonus compensation where unreasonably and unrealistically set where
23 compensation was conditioned on and/or Defendants required Plaintiff to partake in unlawful conduct
24 to reach certain compensation goals.

25 115. As a direct and proximate result of Defendants' unlawful conduct as alleged in this
26 complaint, Plaintiff has suffered and continues to suffer non-economic damages such as emotional
27 distress which includes such things as anxiety, depression, mood swings, humiliation, worry, anger,
28 tension, lowered self-esteem, embarrassment, harm to reputation, mental anguish and overall general

1 emotional distress, all in an amount according to proof. Said emotional distress has caused physical
2 manifestations and physical injury to Plaintiff including such things as insomnia, nausea, headaches,
3 and at times, uncontrolled/involuntary shaking, all in an amount according to proof.

4 116. As a further direct and proximate result of the unlawful conduct, the Plaintiff has
5 suffered and continues to suffer economic damages for loss of income, wages, bonuses, loss of earning
6 capacity, loss of employment benefits, loss of deferred compensation, loss of job opportunity and other
7 losses, all in an amount according to proof.

8 117. Plaintiff is informed and believes and thereon alleges that as a further direct and
9 proximate result of the Defendants' acts or omissions, Plaintiff has incurred and continues to incur
10 costs and expenses including but not limited to, litigation costs, attorneys' fees, and other damages
11 arising out of the conduct alleged herein as allowed by contract, statute or case law.

12 118. Plaintiff reserves the right to amend this cause of action and this complaint to conform
13 to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the
14 time of trial.

EIGHTH CAUSE OF ACTION

UNJUST ENRICHMENT

(As to all Defendants and DOES 1 through 20, inclusive)

18 119. Plaintiff realleges and incorporates by reference the foregoing and subsequent
19 paragraphs as though fully set forth herein.

20 120. Defendants were enriched by obtaining the work, labor and services provided by
21 Plaintiff. In exchange, Plaintiff received insufficient consideration in violation of the prevailing public
22 policy.

23 121. While Defendants were enriched by the services proved by Plaintiff, they were at the
24 expense of Plaintiff, as Defendant did not fairly compensate Plaintiff and instead based compensation
25 on unrealistic and, most significantly, goals/benchmarks that can only be obtained by illegal and/or off-
26 label promotional means.

122. Plaintiff is informed and believes and thereon alleges that as a result of the wrongful acts by Defendants, as alleged herein, Defendants have been unjust enriched in the amount to be proven at trial.

123. Plaintiff reserves the right to amend this cause of action and this complaint to conform to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the time of trial.

NINTH CAUSE OF ACTION

FAILURE TO PROVIDE EMPLOYEE FILE

(As to all Defendants and DOES 1 through 20, inclusive)

124. Plaintiff realleges and incorporates by reference the foregoing and subsequent paragraphs as though fully set forth herein.

125. In accordance with Labor Code § 1198.5, Plaintiff made a demand for his employee file upon Defendants through his attorney on or around September 8, 2016. Defendants have failed and/or refused to provide Plaintiff's employee files to date.

126. As a result of Defendants' failure to comply with Plaintiff's California Labor Code
1198.5 demand, Plaintiff seeks recovery of the statutory penalty in the amount of Seven Hundred Fifty
Dollars (\$750.00), injunctive relief, attorney's fees, and costs of suit.

127. Plaintiff reserves the right to amend this cause of action and this complaint to conform to proof and/or to allege additional facts as discovery may warrant as the case progresses and/or at the time of trial.
